H1N1 Flu Shot Clinics

H1N1 Flu Shot Clinic for:

- **Pregnant women**
- **Pregnant women's children aged six months to under five years old**
- **Household contacts of pregnant women in their third trimester**

Saturday, November 7
10:00am - 4:00pm
Town Centre (Retail Level) 800 Rosser Avenue
More vaccine for pregnant women is also expected next week.

Priority Group Flu Shot Clinic

Monday, November 9
2:00pm - 8:00pm
Town Centre (Retail Level) 800 Rosser Avenue

***Reminder:* The priority group that should get the flu shot first are:**

- Children aged six months to under five years old
- Anyone of Aboriginal ancestry (First Nations, Métis or Inuit)
- Disadvantaged individuals (for example, homeless)
- People under 65 with a severe chronic medical condition or other risks including severe obesity, substance abuse or alcoholism
- Anyone with a weakened immune system or those who live with or care for them
- Pregnant women
- Those who live with or care for infants under six months old
- Single parents or anyone solely responsible for a dependent
- Health care workers and medical first responders

Please Wait If You Are Not in a Priority Group
If you are not in one of the priority groups listed above, please wait until more vaccine arrives and let those in the priority groups receive their shots now. As more vaccine arrives, the H1N1 shot will be offered at flu shot clinics to other Manitobans who need or want it.

Future Clinics: Listen to the radio, watch the newspapers or check the Brandon RHA website at www.brandonrha.mb.ca.

BRANDON RHA
BRANDON REGIONAL HEALTH AUTHORITY

PLEASE NOTE FOR ALL CLINICS:

- There will be screening to ensure you are in the priority group
- You may want to bring a lawn chair and snacks to assist with the wait
- Additional parking is available behind the Convergys building off Princess Avenue
- Bring your Manitoba Health Card
- Seasonal flu shots will also be available
